REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The examiner could not find testing memory by issuing I/O requests to a base address of the memory. The examiner notes Burkhardt, Jr. et al PN 5,142,683 teaches issuing I/O requests (specifically I/O writes) to a base address register for I/O space. The examiner notes Burkhardt I/O request is distinguished for I/O space instead of memory space. The examiner could determine no motivation for sending the I/O request to base address to test the memory. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Paul R. Myers whose telephone number is 703 305 9656. The examiner can normally be reached on Mon-Thur 6:30-4:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mark Rinehart can be reached on 703 305 4815. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
